Newsletter Time!

I can not tell you if it is Spring or Winter, because I do not know. Just as quick as I figure it out, though, I will clue you in.

March 6 was the PFLAG Coalition meeting at Lois's house. There was a good attendance and a good time was had by all. Thanks be to Lois for hosting this event. The next Regional Conference will be held in Salt Lake City June 11-13. Call Lou for info. The National Conference will be April 28-30, 2000 in Washington, DC You should know that PFLAG is working in conjunction with Colorado Safe Schools Coalition to put posters in our schools. Milton hung his first one at East High. Way to go, Milton!

Loulou's Little Gossip Corner

If there is anyone out there who could be coerced into writing the newsletter for a few months, I would be most happy to turn it over to you. I have the mailing list on a disk and I would be happy to give you pointers. I just need a little break!

Nancy has been sporting what appears to be a black eye! She ***says*** it is not? Maybe ***Ivan*** can tell us what happened?

Jalia has not yet received her award at the Women's Day Luncheon, but I can bet money that ***Ivan and Bill*** will be having their ***"cake attack"***. Every time they get a fork in their hand, they want cake! Is cake a balanced diet?

See you Sunday!

Lou
